ROSEBERRY SEC'Y

COMMERCIAL CLUB DIRECTORS ELECT SUCCESSOR.

COMMITTEE APPOINTED

They Will Co-Operate With P. O. Landon in Arranging for Next Year's Chautauqua.

The board of directors of the Commercial Club met this morning at their club rooms to consider several matters.

G. B. Roseberry was selected as secretary of the club to succeed Edward G. Orear, who resigned at the meeting of the club at their meeting last week. F. P. Robinson also resigned as president of the club at the meeting held then, but his successor will not be selected until the November meeting.

A committee composed of D. R. Eversole, George B. Baker, Paul Sisson and G. B. Roseberry was appointed to work with Prof. P. O. Landon in managing the Maryville chautauqua to be held next August. The commercial club will assist Professor Landon in making arrangements for the assembly and this committee appointed will represent the club.

Another matter taken up was that of the Perry Harness Mfg. Co., which wish to interest the citizens here in that concern. The board adopted a resolution endorsing the plan and urging the citizens here to consider the matter of investing in that concern, as it is one of the growing enterprises of this city.

ABANDONED AND DESERTED HER

A divorce suit, making fifteen for the November term of court, was filed in the circuit clerk's office Wednesday morning by Cook, Cummins & Dawson, attorneys for Stella Ellsworth against Walter W. Ellsworth. The petition states that they were married in Nodaway county April 6, 1904, and that they lived together until August 27, 1909, when the defendant abandoned and deserted the plaintiff without any just cause, and has ever since that time for more than one year remained separate and apart and has failed and refused to provide support. The plaintiff is a resident of Nodaway county, while the defendant is a nonresident of the state. The plaintiff asks for a decree of divorce and for the care and custody of three minor children, John, aged 5; Bessie, aged 3, and Robert, aged 2

CANCELLED DATE AT TARKIO

Hon. D. R. Francis, who was to speak at Tarkio this afternoon at 1:30 o'clock, cancelled his speaking engagement there on account of the death of David Rankin of that city. Mr. Francis passed through Tarkio, however, stopping there for an half hour, on his way to Maryville, where he will speak this evening.

The sheriff of Taylor county, Iowa, was in Maryville Wednesday on his way to Madison, Monroe county, Mo., after a man who stole a team and buggy from the hitchracks at Gravity, Iowa, on the evening of Oct. 6. The man was caught there last week after having stole some chickens.

DIFFERENCES TO BE ARBITRATED

Atorneys J. S. Shinabargar and George Robb Ellison went to Clearmont Wednesday in the case of the Hickory Grove Telephone company against one of its subscribers, W. H. Hoy. The matter is to be arbitrated, and J. R. Brink, Jame. W. Ray and Joseph Reece of Maryville were chosen as arbitrators and they left for Clearmont Wenesday morning.

My. Hoy, it seems, had built a line from his home to the main line of the company that runs into Clearmont, and because of building this line, he thought he was exempted from payment of the dues that were assessed against him. The controversy has been waging some time and the central at Clearmont had instructions to not answer his calls.

Mr. Hoy is represented in the case by Attorney Otis Burch of Hopkins.

Tarkio, Mo., Oct. 18.—David Rankin, millionaire farmer, said to be the biggest corn raiser and cattle feeder in the world, died at his home in Tarkio at 4 o'clock this afternoon. Death came as the result of a stroke of paralysis. His wife died a few weeks since and this may have hastened his end.

Mr. Rankin was born in Sullivan county, Indiana, May 25, 1825, and was 85 years old at the time of his death. He is survived by his sons, W. F. Rankin and John Rankin Jr., and two daughters, Miss Esther Rankin, of Tarkio, and Mrs. J. H. Hanna, of Riverside, Cal.

WELLMAN AND HIS CREW SAFE

Special from Howland News Bureau:

New York, Oct. 19.—Walter Wellman and his crew, who were rescued yesterday from the airship America by the steamship Trent, are expected to arrive here late this afternoon. The Trent was due here this morning, but has been delayed by a heavy fog.

After being lost out on the Atlantic for twenty-four hours or more the America was sighted about 5 o'clock yesterday morning in distress. After great difficulty Wellman and his crew were lowered into life boats and secured safe on board the ship. Even the office cat taken along as a mascot was saved.

The America was out about 400 miles from the coast of North Carolina. It was supposed to be east from lower Canada but unfavorable winds had forced the big balloon way to the south. The airship built at a cost of $35,000 was cut loose and soared to unknown perts. The crew expressed great joy at their fortunate rescue and they were made the honored guests of the ship.

Wellman and his crew failed to cross the Atlantic, but they were in the air about seventy-two hours and sailed a distance of over 800 miles.

SEVEN BALLOONS STILL SAILING

Special from Howland News Bureau:

St. Louis, Oct. 19.—Six of the balloons that started from this city Monday in the James Gordon Bennett cup race were reported this morning to be sailing over Lake Huron and the Georgian Bay, 600 miles north. Three of the ten balloons started were landed yesterday, leaving seven in the air. Aeronautical experts predict that the race will develop a new world's record for distance.

The Durseldorff was last reported over the southern peninsula of Michigan sailing toward the Straits of Mackinac and is believed to have crossed the narrows into Canada. As no tidings have been received from the balloons for several hours now the aero officials are somewhat worried

TO MR. YALEY OF IOWA

Invoicing Commenced On Wednesday Morning—Received 1,000 Acres o. Land.

An important change in mercantile circles took place Wednesday morning with the announcement that the Maryville Mercantile Store had been sold to F. E. Yaley of Burlington, Iowa. Mr. and Mrs. Yaley are here and an invoice of teh stock was begun Wednesday morning.

In exchange for the stock of goods the Mercantile Company gets 1,000 acres of land in St. Clair county, Missouri, about three miles from Eldorado Springs and a portion of this year's crops of hay and corn. The land was valued at $35 per acre. The stock it is believed will invoice about $40,000.

The trade was made through the agency of Allen Bros., real estate dealers of this city. The stockholders of the Mercantile Co. were James W. Herndon, T. W. Costello, Anna L. Hotchkiss and Mrs. E. J. Williams. Mr. Herndon and Mr. Costello will remain with the new firm for at least thirty days after which they state they have not made any definite plans. Both have large interests here outside of the store and it is hoped that both will continue to remain residents of Maryville.

Mr. Yaley, the new proprietor, has been associated with an implement company of Peoria, Ill., and is a pleasant gentleman with a reputation as a fine business man and a most excellent citizen. The Democrat-Forum extends to him and his family a most cordial welcome and bespeaks for them the generous consideration of the public.

POLITICAL PARAGRAPHS.

The most prosperous period the United States has known in its history was during the decade from 1850 to 1860—a "free trade" tariff period. During those ten years of a tariff for revenue only the population increased 35.8 per cent and the wealth of the country 126.45 per cent.

Colonel Roosevelt read the tariff section of his speech at the Coliseum in St. Louis last week and as he finished each slip he viciously crumpled it up and threw it away. As he adapts his tariff remarks to the locality in which he speaks, he never needs the same manuscript twice.

There is no more useful man in congress than our own congressman, J. T. Lloyd. He is recognized by both his political friends and foes, as clean, pure and true. He is honored and beloved by all who know him. His majority this November will be larger than ever and greater honors yet await him.

Bennett C. Clark, president of the M. S. U. Democratic club, writes the Republic from Columbia that the G. O. P. has hired a lot of university boys at $25 per week to roam round over Missouri delivering "canned" speeches. The Republican campaign committee evidently have so much money they don't know what to do with it.

Oh, no there is no split in the ranks of the Missouri Republicans! And yet Hadley was too busy with his oats to attend the standpat Republican editors convention last month, and Mayor Kreismann was too busy getting out of town to attend the Roosevelt-Hadley pow-wow this month. Such lovely harmony, don't cher know!

SHE SHOULD HAVE "FLOWING CURVES"

New York, Oct. 17.—Mlle. Anne Pavlowa says true gracefulness comes only after years of study and work. But the Russian dancer added that by following certain rules women can attain a degree of grace.

"If a woman wishes to be graceful," began Pavlowa, "the first thing to remember when standing still is to put all her weight upon one foot. If a woman stands squarely on both feet her pose is military and there is no feminine droop. There always should be a line of flowing curves on one side of a woman's body from her ear to her heel.

Beauty of the Throat.

"A woman cannot stand in a drawing room with her shoulders thrown back and her heels together like an officer in the German army," laughed Pavlowa. "As for the throat," she continued, "a woman must remember two of the most beautiful lines she has are there. There is the line from her ear to the tip of her shoulder, and the line from her ear to the little hollow at the base of her throat in front.

"It always is better to turn the head slightly to arch the throat as a horse does. It is infinitely more graceful to turn the body away a little from the person to whom one is talking and to turn the head back toward them and toward the shoulder. There is more coquetry in this pose than in looking directly into a person's face. Then remember never to draw the chin in, thrust it forward and slightly upward. That makes a beautiful long line in profile.

Don't Straighten the Arms.

"As for a woman's arms," continued Pavlowa, "she should remember never to make them straight because most women are double jointed at the elbows. A woman's arm ought always to curve slightly. And a woman never ought to make a gesture higher than her shoulder with her hand or arm, unless she points directly upward.

"Unless one is standing still one should not use the heel except as a sort of ballast. In walking, the ball of the foot should be used. The toes ought never to be cramped in a tight shoe. A woman could not possibly walk gracefully if the muscles of her feet were too tightly confined."

Mr. and Mrs. W. C. Frank, Mrs. W. W. Glass, Mrs. A. C. Hopkins and Dr. L. O. Bricker have returned from Topeka, Kan., where they attended the national Christian church convention.

The active medicinal ingredients of Rexall Orderlies, which are odorless, tasteless and colorless, is an entirely new discovery. Combined with other extremely valuable ingredients, it forms a perfect bowel regulator, intestinal invigorator and strengthener. Rexall Orderlies are eaten like candy and are notable for their agreeableness to the palate and gentleness of action. They do not cause griping or any disagreeable effect or inconvenience.

Unlike other preparations for a like purpose, they do not create a habit, but instead they overcome the cause of habit acquired through the use of ordinary laxitives, cathartics and harsh physic, and permanently remove the cause of constipation or irregular bowel action.

We will refund your money without argument if they do not do as we say they will. Two sizes, 25c and 10c. Sold only at our store—The Rexall Store—Orear-Henry Drug Co.

The Land of Opportunity To-day

In the rich Valleys of Southern Colorado and Northern New Mexico. Five hundred thousand acres of land which has during the past years been tied up in the grant form is undergoing a transformation, and this magnificent property, large enough for fifteen thousand farms and homes is being practically given away to the fifteen thousand persons who apply for a farm before they are all sold. In addition to the farm, each person is given a business or residence lot in the additions to the towns of Chema and Ferra Amarillo, and will also establish a new town. This town will be located in the Nutrias Valley, near the southern boundary of the Grant, where the settling up of this great irrigable valley will make a good town necessary. The farms range in size from 10 acres to 640 acres. A contract calling for one undivided farm and one lot and other rights together, will be sold for only $250, payable $10 a month. There is practically no limit to the variety of crops that can be raised on this land. This soil is rich and fertile—a veritable mine of agricultural wealth. It has been said that one good investment beats a life time of labor. Put your monthly savings were you will have something worth while at the end of the year. Here is your opportunity. Remember, while they last.

$250 payable, $10 a month buys a farm and a lot.

LITTLE BALD SPOT.

Men Be Sensible, Don't Let It Grow More Conspicuous.

If you are beginning to worry about that spot right on the top of your head, where the hair is thin or has disappeared entirely;

Don't worry any longer.

Go to the Koch Pharmacy at once and get a 50-cent bottle of Parisian Sage.

If that won't check the falling hair, and cause new hair to grow; nothing on this earth will.

Dandruff causes hair to fall and baldness; dandruff germs cause dandruff.

Parisian Sage kills the germs; eradicates dandruff; stops falling hair and itching scalp or money back at the Koch Pharmacy.

It will cause the hair to grow thicker, more luxuriant, and puts so much new life into it that it grows lustrous and beautiful.

The girl with the Auburn hair on every package. Fifty cents at the Koch Pharmacy and druggists everywhere. Mail orders filled by America nmakers, the Giroux Mfg. Co., Buffalo, N. Y.

Will Give Dinner and Supper.

The ladies of St. Patrick's church will serve dinner and supper, Wednesday and Thursday, Oct. 26 and 27 in the basement of the church for the benefit of the new convent school. They have been preparing for these two days several months past and will be ready to serve a large number of people. 18-25.

Every day in this city a few more people join the lists of those who buy advertised things—who patronize advertised stores!

TIME TO ACT.

Don't Wait for the Fatal Stages of Kidney Illness. Profit By Maryville People's Experiences.

Occasional attacks of backache, irregular urination, headaches and dizzy spells are common early symptoms of kidney disorders. It's an error to neglect these ills. The attacks may pass off for a time but return with greater intensity. If there are symptoms of dropsy—puffy swellings below the eyes, bloating of limbs and ankles, or any part of the body, don't delay a minute. Begin taking Doan's Kidney Pills, and keep up the treatment until the kidneys are well when your old-time health and vigor will return. Cures in Maryville prove the effectiveness of this great kidney remedy.

T. A. Murray, East Fourth street, Maryville, Mo., says: "Since using Doan's Kidney Pills some years ago I have been practically free from kidney trouble. I suffered from that complaint for some time. When I was told by a friend to try Doan's Kidney Pills, I immediately began their use and prompt relief from my suffering followed. I do not hesitate to advise other kidney sufferers to give Doan's Kidney Pills a trial, as I know that this remedy can be relied upon."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name — Doan's — and take no other.

Breathe Hyomei for Two Minutes, and Stuffed-Up Head Will Vanish.

If you want to get relief from catarrh, cold in the head or from an irritating cough in the shortest time, breathe Hyomei (pronounce it High-o-me).

It will clean out your head in two minutes and allow you to breathe freely, awake or asleep.

Hyomei will cure a cold in one day, it will relieve you of disgusting snuffles, hawking, spitting and offensive breath in a week.

Hyomei is made chiefly from eucalyptus, a soothing, healing, germ-killing antiseptic, that comes from the eucalyptus forests of inland Australia, where catarrh, asthma and consumption were never known to exist.

Hyomei is pleasant and easy to breathe. Just pour a few drops into the hard rubber pocket inhaler, breathe it, and cure is almost certain.

A complete Hyomei outfit, including inhaler and one bottle of Hyomei, costs only $1.00 at druggists everywhere and at the Orear-Henry Drug company.
